### JOIN US!

**Dear colleague,**

You are invited to join the 15th edition of ICERI, one of the largest international conferences for lecturers, educational researchers and technologists.

For the last 13 years, **ICERI** conferences have been held in-person, welcoming more than 800 participants in the field of education, and the last two editions were held virtually due to the pandemic.

This year, we are looking forward to welcoming you all again in Seville. If the covid situation didn't allow ICERI2022 to be held in-person, the conference would be moved to a fully virtual format. Please find more information [here](#).
